◆ **Here's how it works:**

**Each participant has been carefully assigned to one of the teams:**

**Red Team, Blue team or Violet Team**

**Your team will work together during workshops, activities, and practical sessions.**

**You will build strong connections, share knowledge, and create meaningful projects within your team.**

**At certain moments, you will also have the chance to collaborate across teams, because magic happens when we mix ideas!**

## ◆ Things you must prepare before your departure:

**1) Each participant must have 3 copies of the Learning agreement and 2 copies of the Europass document signed and stamped by your institution, and signed by the participants as well! Italian schools must bring only 3 copies of EUROPASS**

**2) On 01.12 we will organize an intercultural lunch for you ( an event in which you can represent your country and its culture) so please bring some traditional snacks, objects, drinks and traditional clothes if possible.**

**3) Please prepare a 5 min (max) presentation about your country, school, education system, the Erasmus projects or activities that you hosted at your institution.**

**4) The participants enrolled in the following courses(Violet team and blue team) must bring their LAPTOPS:**

**Tomorrow's Classroom Today: AI for Educators,**

**Project Mastery: Erasmus+ Essentials**

**AI Ed: Transforming the Modern Educator**

**Digital Learning Environments: Best Practices for Online Teaching**

**From Idea to Impact: Using Technology for Social Good**

**Inclusive Tech Teaching: ICT for Every Learner**

**Technology makes education easier!**

**Only the participants with the courses mentioned above should bring their laptops, for others there's no need.**
